

MAHDANIA ALIYA RIZKI

Surabaya, East Java | +62 852-3917-2960 | niarizki1330@gmail.com

I have a strong interest in social sciences and social actions related to government, international affairs, and technological advancement. In the future, I aspire to become a pioneer of social initiatives that inspire younger generations to confidently voice their opinions on technological progress in Indonesia and compete on a global level.
